alandyshev@desmaraisllp.com

NEW YORK Phone: 212-808-1078 Fax: 212-351-3401

Mr. Landyshev's practice focuses on intellectual property litigation and counseling. Before law school, Mr. Landyshev received his Bachelors' of Science in Civil Engineering from Purdue University. While there, he conducted field research and prepared literature reviews investigating the accuracy of devices that measured soil hydration and compaction.

At Columbia Law, Mr. Landyshev received honors each school year and participated in the American Intellectual Property Law Association Moot Court. He also worked as a Teaching Assistant for Professor Mavis-Fowler Williams's negotiation workshop and volunteered as an academic coach with Legal Outreach Inc. for the high school constitutional debate program.
