WASHINGTON, D.C. Phone: 202-916-8072 Fax: 202-451-4901

Mr. Coleman's practice focuses on intellectual property litigation and counseling. His litigation experience includes technologies related to wearable medical devices and small-molecule drugs in district court and at the International Trade Commission. Mr. Coleman has experience with pleadings, claim construction, discovery, infringement and invalidity contentions, taking fact depositions, and dispositive motion practice.

Mr. Coleman graduated from the University of Virginia School of Law, where he served as the Managing Editor of the Virginia Journal of Law and Technology and President of the intramural Lile Moot Court competition. He earned a B.A. in Physics from Virginia Tech, where he researched properties of quantum materials and systems at the atomic scale. Prior to law school, Mr. Coleman worked as a science teacher, where he taught students from pre-school to high school.
